

LIMPOPO TREASURY WINS AN AWARD AT JOBURG EASTER SHOW

Limpopo Provincial Treasury shone like a star during the night at the internationally acclaimed annual Joburg Easter show. The institution's brand is now known far and near for its continuous search for excellence.

The show took place at Nazrec in Gauteng province, from the 3rd to the 13 April 2009. Thousands of people from all walks of life flooded Nazrec on a daily basis. There were children, the youth as well as adult members of society.

Institutions that participated at the show included public entities and private enterprises. Public institutions that

exhibited there were, Limpopo Provincial Treasury, Gauteng Treasury, Home Affairs, sassa, Department of Water and Forestry, Gauteng Legislature, Gauteng department of Housing, Gauteng department of Agriculture, Gauteng department of Safety and Security, Gauteng Office of the Premier, Gauteng department of Economic Development, Gauteng department of Sports, Arts, Culture and Recreation, Gauteng department of Public Transport and Roads, Gauteng department of Health, Department of Labour, the city of Ekurhuleni and the Vhembe District municipality.

Countries that were represented at the event were Egypt, Syria and Pakistan.

The purpose of the event was to provide institutions with an international platform to popularize their brand, to disseminate information to the public and to build

and consolidate their respective images. Private entities were there to market their products to a wider public that came from as far as China.

The Limpopo Provincial Treasury team executed their mandate with majestic excellence. It came as no surprise when the team romped home with a certificate of merit for shinning in information dissemination, presentations and customer care.

In the presentations, clients were informed of Limpopo Provincial Treasury's role in the development of the province especially its efforts to contribute to the creation of a better life for all, something that breathes in

rhythm with the government's Growth and Development Strategy. It is not only a job well done for Treasury, but for Limpopo province as a whole.

A team of investors from China, Sach Mineral Resources (PTY) LTD was so excited by Limpopo Provincial Treasury's performance that they made a pledge to open up some investments in Limpopo. The company is currently operating in Northern Cape and it specializes in processing chrome, manganese and platinum. Institutions that won awards at the show will go forward and participate in the Durban indaba in May 2009.
