

# ANNUAL PERFORMANCE PLAN 2018/19

**DATE OF TABLING** 

15 MARCH 2018

## FOREWORD BY THE MEMBER OF THE EXECUTIVE COUNCIL FOR FINANCE

The 2018/19 Annual performance Plan (APP) of the Limpopo Provincial Treasury (LPT) provides a framework for the department to carry out its statutory obligations. This plan is developed in a period when the country is on a new trajectory of hope and renewal, due to recent political developments, while at the same time alive to global challenges that impact on our economic prospects.

It is against this background that the department will continue with its austerity measures and deepen the levels of financial prudence.

The National Development Plan (NDP), Medium Term Strategic Framework (MTSF) 2014 - 2019 and Limpopo Development Plan (LDP) remain our guiding documents towards building a society envisioned in Vision 2030.

Whilst we face a challenging fiscal and economic environment, Provincial Treasury will continue with the implementation of the following key priorities:

- Further strengthening and resourcing Provincial Treasury core functions and responsibilities
- Strengthening our support to Municipalities through the implementation of the Provincial Municipal Strategy.
- Continuously support provincial departments and public entities in order to improve financial management practices and strive towards improving audit outcomes.
- Support provincial departments in infrastructure planning and delivery by maximizing value for money in infrastructure spend.
- Maximize provincial revenue collection by identifying revenue sources in departments and public entities to enable contribution to job creation, skills development and access to public services.
- Pursue the implementation of regulation 4 of the PPPFA by provincial departments and public entities for the empowerment of youth, women, people with disabilities and military veterans.

The Provincial Treasury will continue to play a leading role in ensuring that departments, municipalities and public entities within the province exercise adequate financial management controls and instill good governance practices. Furthermore, we will exercise continuous monitoring of costs containments within the province without compromising service delivery needs of the citizens. It is within this context that we further commit ourselves to the Medium Term Strategic Framework (MTSF) with special emphasis on Outcomes 9 and 12 as well as the implementation Limpopo Development Plan. I therefore endorse this Annual Performance Plan (APP) and commit to ensuring that it is implemented.

Hon. RWN TOOLEY EXECUTIVE AUTHORITY

## **OFFICIAL SIGN-OFF**

It is hereby certified that this Annual Performance Plan,

- Was developed by the management of Limpopo Provincial Treasury under the guidance of the Honourable MEC RWN Tooley.
- Was prepared in line with the current Strategic Plan of Limpopo Provincial Treasury, and takes into account all relevant policies, legislations and other mandates for which the department is responsible.
- ccurately reflects the performance targets which Limpopo Provincial Treasury will endeavour to achieve given the resources made available in the budget for 2018/19.

Mr HM MAWELA Chief Financial Officer

Mr MS MACHEVELE
Director: Strategic Operations

and Policy Coordination

Ms L EBRAHIM

Deputy Director General: Corporate

Governance

Mr GC PRATT Accounting Officer

SWOT Strength, Weakness, Opportunities and Threats

## PART A: STRATEGIC OVERVIEW

## 1. UPDATED SITUATIONAL ANALYSIS

The Provincial Treasury undertook an analysis to review the strategic position and environment of the department during the strategic planning processes. A tool referred to as McKinsey 7s model was used to analyse the internal environment and PESTEL was used to analyse the external environment. The focus was on analyzing 7 key internal elements namely: strategy, structure, systems, shared values, style, staff and skills, in order to review the overall strategic position of the department and its environment. PESTEL analysis was used to identify the macro (external) forces facing the organisation. The acronym PESTEL stands for Political, Economic, Social, Technological, Environmental and Legal.

The outcome of the situational analysis assisted branches to align the department's resources and capabilities to the requirements of the mandate of the department. The key issues identified during the situational analysis by all branches are summarized as follows:

## Strengths

The department acknowledges the availability of committed, innovative, competent, professional and technically skilled workforce that is able to work as a team towards achievement of a common goal. Brand "Provincial Treasury" is also acknowledged as a strength that earns Limpopo Provincial Treasury officials respect by Provincial Departments, Public Entities and Municipalities. Sound stakeholder engagements and strengthened support functions have also demonstrated confidence from the service recipients and oversight structures. The department acknowledges the democratic style of leadership where effective communication is encouraged between management and employees.

## Weaknesses

The department acknowledges the weakness of operating with an aged Organisational Structure that has not been reviewed for more than five (5) years which may result in misalignment between the approved structure and the Strategic Plan, unfunded posts and misplaced employees. Poor implementation of the Department's Employment Equity plan is also identified as a weakness. Absence of integrated procurement system is identified as a weakness within the department and the province. Inability to enforce consequence management for non-compliance by public institutions is also a weakness identified that must be urgently addressed.

## **Opportunities**

The department identified opportunities that may maximise the departmental performance. Provincial Treasury through its transversal responsibilities has the ability to share knowledge across various platforms and enable benchmarking with National and other Provincial Treasuries. Utilising technological capabilities to streamline our activities, for example online banking services. Effective utilisation of the Provincial IT Risk Management System (BARNOWL) which is web enabled.

## **Threats**

There are identified threats that may hinder the department from achieving the desired outputs and outcomes as set out in the Strategic Plan and Annual Performance Plan. The provincial equitable share in the province has been reduced by R168m for the 2018/19 financial year. This reduction presents a fiscal challenge given the increasing provincial funding responsibilities coupled with the high percentage of the provincial budget that is spent on the wage bill that is above the national norm. Public perception about

procurement irregularities poses a threat as citizens lose confidence in public sector procurement. Poor IT infrastructure networks in the province, coupled with the risk of IT systems being hacked are also a threat. An action plan addressing weaknesses and threats has been developed covering the medium term. An opportunity register was also developed focusing on key opportunities and strengths that can be harnessed over the medium term. The action plan and the opportunity register serve quarterly in EXCOM meetings where progress is presented. The interventions to address SWOT outcomes in the action plan and the opportunity register will be monitored separately from the Annual Performance Plan as they are operational in nature.

## 1.1. PERFORMANCE DELIVERY ENVIRONMENT

Limpopo Provincial Treasury monitors and supports provincial departments, public entities, municipalities and municipal entities on implementation of the PFMA and MFMA. The following tables reflect the provincial institutions that are monitored and supported by Limpopo Provincial Treasury in line with the PFMA and MFMAA.

## LIMPOPO PROVINCIAL DEPARTMENTS

- 1. Vote 1: Office of the Premier
- 2. Vote 2: Legislature
- 3. Vote 3: Education
- 4. Vote 4: Agriculture and Rural Development

- 2. Limpopo Economic Development Agency (LEDA)
- 3. Road Agency Limpopo (RAL)
- 4. Gateway Airport Authority Limited (GAAL)
- 5. Limpopo Tourism Agency (LTA)

## **MUNICIPALITIES**

## CAPRICORN DISTRICT

- 1. Capricorn District Municipality
- 2. Blouberg Local Municipality
- 3. Molemole Local Municipality
- 4. Lepelle Nkumpi Local Municipality
- 5. Polokwane Local Municipality (Not delegated)

## SEKHUKHUNE DISTRICT

- 1. Sekhukhune District Municipality
- 2. Elias Motsoaledi Local Municipality
- 3. Ephraim Mogale Local Municipality
- 4. Makhuduthamaga Local Municipality
- 5. Fetakgomo Tubatse Local Municipality

## MOPANI DISTRICT

- 1. Mopani District Municipality
- 2. Maruleng Local Municipality
- 3. Letaba Local Municipality
- 4. Tzaneen Local Municipality
- 5. Giyani Local Municipality
- 6. Ba-Phalaborwa Local Municipality

## VHEMBE DISTRICT

- 1. Vhembe District Municipality
- 2. Makhado Local Municipality
- 3. Musina Local Municipality
- 4. Thulamela Local Municipality
- 5. Collins Chabane Local Municipality

## WATERBERG DISTRICT

- 1. Waterberg District Municipality
- 2. Mogalakwena Local Municipality
- 3. Thabazimbi Local Municipality
- 4. Lephalale Local Municipality
- 5. Modimolle Mookgophong Local Municipality
- 6. Bela-Bela Local Municipality

## **MUNICIPAL ENTITIES**

- 1. Greater Tzaneen Economic Development Agency
- 2. Waterberg Development Agency
- 3. Sekhukhune Development Agency

## 1.1.1. LIMPOPO ECONOMY

The growth performance of the Limpopo economy is very important to determine the potential to address the triple challenge of unemployment, poverty and inequality. The growth rate declined by 1.6 percent in 2016 after the positive growth rate of 1.9 percent in 2015. The volatile growth performance of the provincial economy can to a large extent be explained by the volatile growth performance in the mining industry. The impact of the mining industry is mainly due to the relative size of the sector as compared to total production in the provincial economy. The mining sector declined by 5.9 percent in 2016 and contributed 1.65 percent to the overall decline of the economy in 2016. The forecast for the provincial economy from 2017-2019 is still well below the 3 percent target in the Limpopo Development plan.

See below table that reflects GDP average annual growth (Constant 2010 Prices)

Regional Explorer 2018 (Forecast by Limpopo Treasury)

In terms of the districts economic performance, the districts' GDP growth rates trends tend to follow a similar pattern with the provincial trend except for some few instances where some districts tend to be performing above the provincial average.

The below table shows the growth situation in 2016. In line with the provincial economy; districts like Waterberg and Sekhukhune showed the biggest decline. The average growth over different periods is also indicated. Except for Capricorn the average growth rate between 2011 and 2016 was less than 1 percent.

|            | District in Limpo | оро    |           |           |            |
|------------|-------------------|--------|-----------|-----------|------------|
| Year/Years | Mopani            | Vhembe | Capricorn | Waterberg | Sekhukhune |
| 2016       | -2.3%             | -0.7%  | 0.3%      | -3.4%     | -3.1%      |
| 1996-2001  | 1.9%              | 4.3%   | 6.6%      | 2.2%      | 4.5%       |
| 2001-2006  | 2.9%              | 3.8%   | 3.8%      | 3.1%      | 5.0%       |
| 2006-2011  | -0.2%             | 1.7%   | 3.8%      | 1.2%      | 2.9%       |
| 2011-2016  | 0.5%              | 0.7%   | 1.8%      | 0.8%      | 0.6%       |
| 1996-2016  | 1.3%              | 2.6%   | 4.0%      | 1.8%      | 3.2%       |

Source: Regional Explorer 2018

Given the above economic outlook, it is expedient that Limpopo provincial government target sectors that will stimulate accelerated economic growth and that are labour elastic such as agriculture, manufacturing and tourism. Though economic growth is not a panacea of all developmental challenges, it is necessary to address issues of unemployment, poverty and income equality. Furthermore, it is important that all spheres of government embrace fiscal discipline that will translate into government deriving value for money.

## 1.1.2. MPAT Outcomes

## a. Departmental MPAT 1.6 Performance

Limpopo Provincial Treasury was rated a score of 3.3 on MPAT 1.6, which was 0.2 below the Strategic Objective target for the 2016/17 financial year. The department continuously monitors the implementation of MPAT Improvement plans with special focus on KPA 3 (Human Resource Management) and PMDS standards in particular.

## b. Provincial MPAT 1.6 Performance

Limpopo Provincial Treasury has a transversal role of supporting provincial departments on issues of governance and accountability as well as financial management matters. Provincial Treasury is responsible and contributes towards the following standards under KPA 2 (Governance and Accountability): Audit Committees, Internal Audit and Risk Management. The Provincial MPAT 1.6 outcomes indicates that all three standards were performing above an average score of 3, which is satisfactory performance, and however implements are required to achieve a level 4 rating.

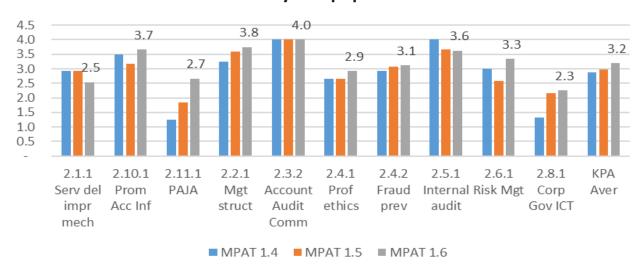

The department is also responsible for standards on payment of invoices within 30 days, unauthorized expenditures, cash flow management, demand management, acquisition management, logistics management and disposal management under KPA 4 (Financial Management).

The Provincial MPAT 1.6 outcomes indicates that standards on demand, acquisition and logistics management are performing above the provincial average score of 3, which is satisfactory performance which may not require major intervention, however, standards on disposal management, payment of suppliers and management of unauthorized expenditure requires concerted interventions as they performing at an average provincial score below 3.

A new performance indicator under programme four was introduced as an intervention to address poor provincial performance on payment of suppliers within 30 days. Programme 4 has included a performance indicator on the AG Action plan for departments and public entities to address the issues of unauthorized expenditures which is part of the issues that may be raised in the AG report. The performance indicator to address disposal management is included in programme 3 where assessment on compliance to SCM prescripts will be measured and disposal management included as one of the focus areas.

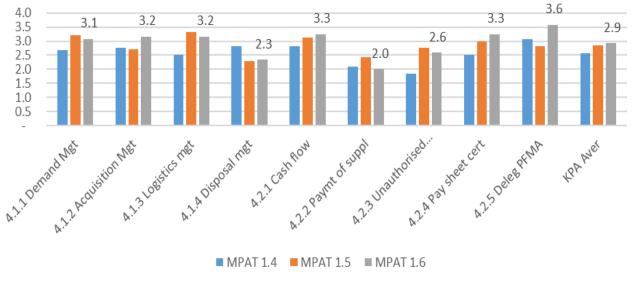

The figures below are graphical representations of Provincial MPAT 1.6 outcomes for KPA 2 and KPA 4 that informed the interventions outlined above. The information contained in the two figures below provide the provincial performance on specific focus areas in terms of MPAT standards and the information assists departments that provide transversal support to provincial departments to identify where intervention is required in the province.

MPAT 1.6 (Trends) Average scores per standard: Governance and Accountability: Limpopo Province

Provincial MPAT 1.6 average scores per standard for KPA 2: Governance and Accountability

MPAT 1.6 (Trends) Average scores per standard: Financial Management: Limpopo Province

Provincial MPAT 1.6 average scores per standard for KPA 4: Financial Management

## 1.1.3. AG AUDIT OUTCOMES

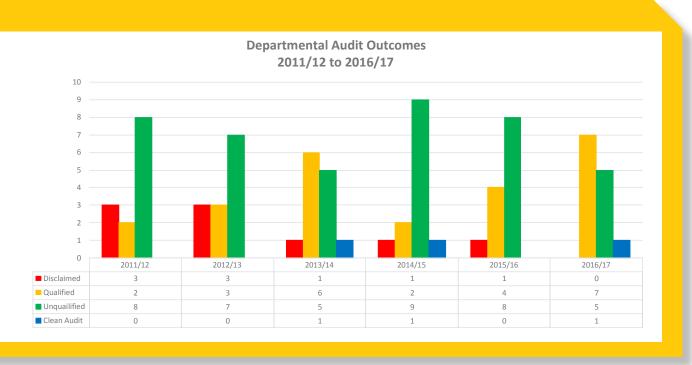

## a. Limpopo Provincial Treasury AG Audit Outcomes

Limpopo Provincial Treasury received an unqualified audit opinion with findings in the 2015/16 financial year, however the department improved in the 2016/17 financial year by receiving an unqualified audit opinion without findings also referred to as a Clean Audit.

## **b.** AG Outcomes for Provincial Departments

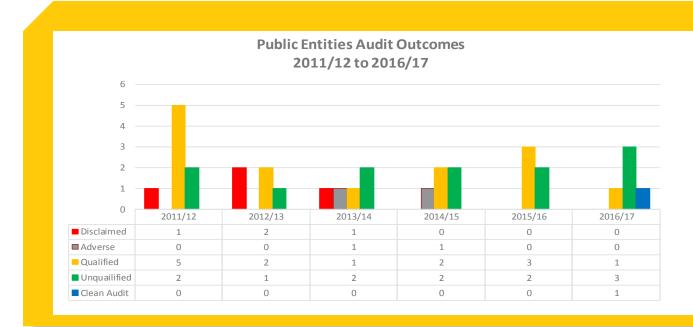

The role of Limpopo Provincial Treasury in supporting and monitoring provincial departments, public entities and municipalities will ensure improved management of financial resources and good governance in the province.

The current status of the province's financial management position in relation to audit outcomes is represented in the information that follows.

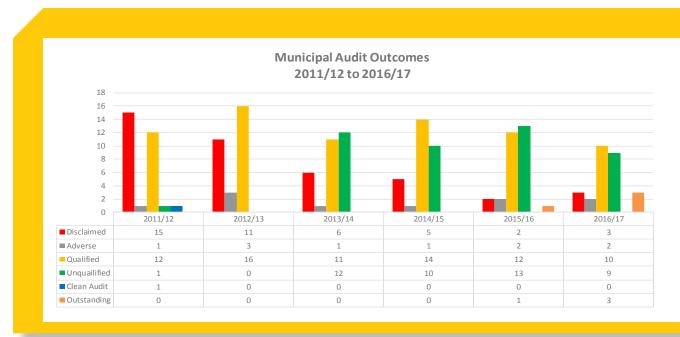

It is clear from the above graph that audit outcomes which is a reflection of internal controls within departments have not been stable in Limpopo Province and the province has recorded some regression in 2016/17, particularly Department of Agriculture and CoGHSTA that moved from Unqualified Audit opinions to Qualified audit opinions. The number of departments that received clean audits increased from zero in 2015/16 to one in 2016/17 and the number of departments that received unqualified audit opinions reduced from eight in 2015/16 to five in 2016/17. There was a significant increase in the number of departments with qualified audit opinions from five in 2015/16 to seven in 2016/17, however; in 2016/17 no department achieved Disclaimer or Adverse audit opinions. The support provided by Provincial Treasury is therefore necessary to ensure that these trends are improved and sustained. This Annual Performance Plan has taken these factors into consideration in determining our priorities, hence the performance indicator that measures number of assessment reports on AG Action Plan has been introduced in the 2018/19 APP.

## c. AG Outcomes for Public Entities

There is significant improvement in audit outcome performance of public entities where three public entities received qualified audit opinions in 2015/16 and improved to only one qualified audit opinion in 2016/17, although the one qualified audit opinion for LEDA is a regression from unqualified audit opinion in 2015/16. The four public entities that received unqualified audit opinions includes a clean audit opinion for Limpopo Gabling Board. The department will continue to provide support to these public entities so that they can maintain the commendable performance achieved in 2016/17 and improve the audit opinion of LEDA.

## d. AG Outcomes for Municipalities

Audit Outcomes for three municipalities (Giyani, Modimolle Mookgopong and Thabazimbi Local Municipalities) have not been finalised for 2016/17. Municipalities audit outcomes have regressed in the 2016/17 financial year. Municipal Finance in the department has restructured their performance measures to reflect the actual deliverables that will be measured in providing support to municipalities. Assessments

will be conducted on various aspects that contributed to the regression by municipalities in terms of 2016/17 Audit outcomes and feedback will be provided to municipalities for implementation of recommendations.

## e. AG Outcomes for Municipal Entities

The audit outcome performance of the three municipal entities has remained at unqualified audit opinions for 2015/16 and 2016/17 financial years, which shows consistent acceptable performance by these entities.

## 1.2. ORGANISATIONAL ENVIRONMENT

Limpopo Provincial Treasury's current approved Organisational Structure has undergone a review and concurrence is being sought from the Minister of Public Service and Administration.

The Department strengthened the capacity of Limpopo Provincial Treasury by upgrading the level of the HOD's post from level 15 to 16, and those of the Deputy Director Generals for Asset, Liabilities and Supply Chain Management and Corporate Management to level 15 respectively. Three Chief Director posts were evaluated and graded at level 14 for the Chief Financial Officer, MFMA and Infrastructure Management and PPP units. The strengthening of LPT at managerial levels will ensure that Provincial Treasury is well equipped and capacitated to fulfil its monitoring and support role to departments, municipalities and public entities. There has been concerted efforts to increase the department's capacity within core programmes with particular focus on Municipalities and Public Entities.

In order for the department to deliver on its mandate the capacitation of employees is key. The department has adopted a multi-faceted approach towards the development of its human capital by enrolling employees on various programmes and offering bursaries to employees.

The 2017/18 bursaries registration statistics indicates that forty-three (43) employees have been registered for Bachelor of Accounting Science, five (5) for BCOM Economics, two (2) BCOM Financial Accounting, two (2) Bachelor of Business Science, one (1) BSC Computer Science and two (2) National Diploma Information Technology.

Personal Development Plans of all employees have found expression in the Workplace Skills Plan. One hundred and ten (110) employees are aligned to courses with the intention of professionalising the public service as depicted in the NDP.

Eleven (11) Senior Managers have participated in the WITS School of Governance programme focusing on Public Sector Governance and Risk Management, Programme and Project Management, Public Finance and Fiscal Management, Monitoring and Evaluation and Public Sector Procurement and Supply Chain Management.

## 2. REVISIONS TO LEGISLATIVE AND OTHER MANDATES

The Legislative and other mandates were not revised.

## 3. OVERVIEW OF 2018/19 BUDGET AND MTEF ESTIMATES

## 3.1 Expenditure estimates

## **DEPARTMENTAL SUMMARY**

Provincial Treasury will continue to improve its strategies in supporting and monitoring departments, municipalities and public entities to improve compliance to the MFMA, PFMA and other policies and legislation thereby contributing towards improved Audit Outcomes. There is an allocation for the use of the National Treasury Government Technical Advisory Centre to an amount of R24.2 million which will be used to assist departments in improving spending of infrastructure allocations.

Provincial Treasury will continue with the implementation of key priorities strengthening support to Provincial departments, Entities and Municipalities to achieve sound financial management, maintain Unqualified Audit Outcomes, enforce and ensure compliance, monitor & facilitate infrastructure spending and the Revenue Enhancement Strategy.

Provincial Treasury will play a leading role in ensuring the implementation of austerity measures within the province without compromising service delivery needs of the citizens. It is within this context that Provincial Treasury further commits to the Medium Term Strategic Framework (MTSF), National Outcomes with special emphasis on Outcome 9 and 12 as well as the Limpopo Development Plan.

The Provincial Treasury will play a leading role in ensuring that departments, municipalities and public entities within the province exercise adequate financial management controls and good governance.

## **Key assumptions**

Some of the main assumptions underpinning the 2018/19 MTEF budget are as follows:

- Salary increases are estimated at 6.7%, 6.6% and 6.5% in 2018/19, 2019/20 and 2020/21 respectively as per Consumer Price Index (CPI) with an implementation date of 1st April 2018.
- 1.5% & 2% provision has been made for pay progression and performance bonus respectively for all qualifying employees.
- A provision of 1% of total compensation of employee's budget has been set aside to assist with staff development as per National Skills Development Act.

## 3.2. Relating expenditure trends to strategic outcome oriented goals

There is a nominal decrease in the budget allocated to Provincial Treasury from R474.6 million in 2017/18 to R472.8 million in 2018/19 financial year. The minimal decrease is as results of the reduction in the budget allocated to fund the GTAC project.

Programme one (Administration) constitutes the highest share of the budget at 38.6%, the programme caters for centralised contractual obligations. Programme four (Financial Governance) constitutes the second biggest share of the budget at 28.8% of the overall budget. The cost drivers within programme four are payments for transversal SITA services, renewal of TEAMATE software licence being used by Provincial Internal Audit, Audit Committee fees as well as travel allowance for Internal Audit personnel while conducting their audits. Programme two (Sustainable Resource Management) shares 20.6% of the allocation, included in the allocation is an amount of R24.2 million for the GTAC project.

Programme three (Assets, Liabilities and Supply Chain Management) receives the smallest share of the budget at 12% and the budget will be used to procure face value documents, settle bank charges and support all Departments & Public Entities to comply with all Asset, Liabilities and Supply Chain prescripts.

Compensation of Employees: The item indicates a negative growth rate in 2018/19 financial year. Department has aligned funding with the proposed organisational structure which is due for approval by DPSA. Funds have been reprioritised to fund contractual obligations under Goods & Services and procurement of working tools under Payment of Capital assets.

Goods & Services: The increase of 8% from R131.3 million in 2017/18 to R143.9 million in 2018/19 includes an allocation of R24.2 million earmarked for GTAC project, allocation for escalations on contractual obligations and other variable costs such as Legal Fees, GG vehicle running costs, renewal of software licences, maintenance of software and subsistence allowance mainly for officials on transversal units.

Transfers & Subsidies: The increase of 13% will mainly cover bursaries for external students in the institutions of higher learning as well as paying leave gratuities for employees who will retire in the public service during the 2018/19 financial year.

Payment for Capital Assets: There is a substantial increase on CAPEX for 2018/19 financial year and this will be for the procurement of ten new G.G Vehicles to replace old vehicles that were sold at an auction and to pay for Cell Phone contracts which are classified as finance leases under payments for capital assets.

## Performance and expenditure trends

The overall increase of 4.4 per cent in 2018/19 as compared to 2017/18 budget allocation. Compensation of Employees: The 5 per cent decrease on CoE in 2018/19 financial year is due to the decline in the number of Interns and Learnership intake, however the allocated budget will be sufficient to cater for filled posts and vacancies, not forgetting cost of improvement on living adjustment, performance bonuses and pay progression.

Goods & Services: The increase of 8 per cent from R54.945 million to R60.102 million in 2018/19 financial year. Funds are earmarked to pay for the lease of office buildings, security services, microsoft licence renewals, legal and audit fees amongst others.

Transfers and subsidies increase by 21 per cent from R5 million in 2017/18 to R6.2 million in 2018/19. The funds are meant for paying bursaries for external students as well as leave gratuities for employees who will be within the retirement age in the 2018/19.

Payments for capital assets increase by 62 per cent from R4.2 million in 2017/18 to R10.9 million in 2018/19, the increase is attributed to the department planning to procure ten motor vehicles and new I.T equipment's in 2018/19.

## 4.2. PROGRAMME 2: SUSTAINABLE RESOURCE MANAGEMENT

The aim of this programme is to provide professional advice and support to the Head of Department on provincial economic analysis, fiscal policy, public finance development, inter-government fiscal relations, revenue collection and infrastructure. The unit also manages the annual provincial budget process and the provincial government's fiscal resources.

The Branch comprises of the following sub-programmes:

- Programme Support which is responsible for:
  - Administering Provincial, Public Entities and Municipal Budget, revenue and Expenditure
- Economic Analysis is responsible for:
  - Administering the provision of Provincial and Public Entities Socio-Economic Research Analysis
- Fiscal policy is responsible for:
  - Ensuring the development, implementation and management of provincial departments and Public entities budget and expenditure.
- Infrastructure Management & PPP is responsible for:
  - Enhancing and monitoring the performance of infrastructure delivery and PPP by provincial departments, public entities and municipalities
- Inter-Governmental Relations is responsible for:
  - Overseeing Financial Management activities of Municipalities and ensure capacity building.

## 4.2.4. RISK MANAGEMENT

| Programme 2: Susta   | ainable Resource Management  |   |
|--|--|---|
| Strategic Goal   | Strategic Risk   | Mitigation  |
| Responsive, accountable, effective and efficient provincial and local government system. | Failure to deliver on Treasury mandates due to unfavourable economic conditions leading to institutions not adequately support to hold them accountable for resource management and non-compliance to the relevant prescripts.   | Reprioritization of programme and resources allocation to fund strategy service delivery functions and projects which may stimulate economic growth.  |
|  | Unsustainable municipalities due to inadequate financial management and built environment skills and resources leading to community unrest and dilapidated infrastructure in the province.   | Operationalization of the provincial infrastructure planning hub. Monitor the appointment of skilled officials in the municipalities.   |
|  | Mismanagement of resources by public institutions due to spending of the budget not in line with core mandates and over and under expenditure leading to misappropriation of public funds, loss of resources to the province and unauthorized expenditure.             | Bi monthly monitoring reports outlining challenges and recommendations.   |
|  | Inadequate funding to support economic growth and development of public institutions due to slow economic growth, reduction in equitable share and poor integrated infrastructure planning and expenditure management leading to impoverished citizen in the province. | Allocate funding to Provincial priorities. Establish Equitable share formular review task team. Institutionalize the use of Limpopo Infrastructure master plan (GIS) for all infrastructure projects. |
|  | Rate of growth on COE spending exceeding the rate growth of total budget due to bloated and overstaffed organizational structured leading to diminishing funds for service delivery.   | Reduce provincial COE to 60%.   |

## Performance and expenditure trends

The budget for Sustainable Resource Management decrease by 22.9 per cent from R119. 6 million in 2017/18 main appropriation to R97.3 million in 2018/19 and this is due to once off allocation in 2017/18 for Musina municipality as well as the reduction on the GTAC allocation.

Compensation of Employees: The increase of 3 per cent from R63.0 million in 2017/18 to R64.7 million in 2018/19 and the budget will be used to cover improvement on condition of service as well as filling of funded vacant posts within the branch.

Goods and Services: The substantial decline on goods & services is due to a reduction on GTAC allocation. The budget for the branch is mainly spent on printing of budget books as well as travelling and accommodation costs for municipal finance sub-programme.

Transfers and subsidies: An increase of 6 per cent on this item is mainly to fund leave gratuities for those employees who will reach possible retirement age.

## 4.3. **PROGRAMME 3:** ASSETS, LIABILITIES AND SUPPLY CHAIN MANAGEMENT

The programme aims to provide policy direction and facilitate the effective and efficient management of assets, liabilities and provincial supply chain processes.

- The Branch is comprised of the following Sub-programmes:

   Asset and Liabilities Management which is responsible for:
  - Monitoring and supporting Departments and Public Entities on management of Physical Assets, Cash and Liabilities.
  - Supply Chain Management is responsible for:
    - Monitoring SCM Compliance and providing support to Provincial Departments and Public Entities as well as supplier development.

4.3.1. PROGRAMME 3 STRATEGIC OBJECTIVES ANNUAL TARGETS FOR 2018/19

### 4.3.4. RISK MANAGEMENT

| Programme 3 : Assets, Liabilitie   | s, Financial Systems and Supply (   | Chain Management  |
|--|---|---|
| STRATEGIC GOAL(S)  | STRATEGIC RISK  | MITIGATION  |
| Responsive, accountable, effective and efficient provincial and local government system. | Failure to deliver on Treasury mandates due to non-compliance to Treasury directives, ineffective support methodologies to votes and entities and lack of a consolidated reporting and tracking system (of results provided by various assurance stakeholders) leading to negative audit outcomes, institutions not adequately support to hold them accountable for resource management and non-compliance to the relevant prescripts and non-implementation of previous finding. | Enforce compliance to Treasury recommendations by escalating non-compliance to governance and oversight structures for consequence management  Review support methodology to focus on strategic areas and achieve positive outcomes. Implementation of the Combined Assurance Model.  Develop and implement integrated reporting and tracking tool.  Escalating non-compliance to governance and oversight structures for consequence management. |

### Performance and expenditure trends

The budget for the branch decrease by 46 per cent from R82. 3 million in 2017/18 to R56.8 million in 2018/19 and this substantial decrease is due to the relocation of the sub-program Support & Interlinked Financial Systems to programme 4: Financial Governance.

Compensation of Employees: The decrease of 18.5 per cent from R58.3 million in 2017/18 to R49.2 million in 2018/19 mainly due to relocation of Support & Interlinked Financial Systems to Financial Governance branch whilst the allocation in this branch will generally cover for improvement in conditions of service costs.

Goods and Services budget decrease substantially due to Support & Interlinked Financial System sub program relocation from the branch to Financial Governance, the funds will mainly be used to pay for provincial bank charges, face value documents and travel and accommodation costs for provincial supply chain and asset management personnel while performing their duties in the districts.

# 4.4. PROGRAMME 4: FINANCIAL GOVERNANCE

The purpose of the programme is to ensure sound financial management and financial accountability in the province through

- capacity building;
- financial reporting;
- financial management transversal policies development;
- support of oversight structures/bodies;
- monitoring and supporting departments and public entities in implementing effective risk management and internal control processes;
- implementing and providing Financial Systems support to Provincial Departments; and lastly by
- providing risk-based and objective assurance, advice, and insight to enhance and protect organizational value.

The Branch is comprised of the following sub-programmes:

- Programme Support is responsible for:
- Administering Accounting Services, overseeing financial information management systems in departments, Internal Audit and Risk Management in Provincial Departments and Public Entities.
- Accounting Services is responsible for:
- Providing support to provincial departments and public entities on accounting standards and frameworks for timely and accurate financial reporting;
- Monitoring compliance with the PFMA, Treasury regulations and other relevant policies and prescripts in departments and public entities.
- Support of oversight structures/bodies of departments and public entities
- Coordinating financial management training and providing transversal systems training in the province
- Financial Systems is responsible for:
- Implementing Financial Systems: and
- providing support to Provincial Departments.
- Provincial Internal Audit is responsible for:
- Providing effective Internal Audit services in Provincial Departments.

### 4.4.4. RISK MANAGEMENT

| Programme 4: Finan   | cial Governance   |   |
|--|---|---|
| Strategic Goal(s)  | STRATEGIC RISK  | MITIGATION  |
| Responsive, accountable, effective and efficient provincial and local government system. | Failure to deliver on Treasury mandates due to lack of integrated financial management systems, ineffective support methodologies to votes and entities and lack of a consolidated reporting and tracking system (of results provided by various assurance stakeholders) leading to | Implement electronic system to assist to achieve accurate reports.  Review support methodology to focus on strategic areas and achieve positive outcomes.  Implementation of the Combined Assurance Model.  Develop and implement integrated reporting and tracking tool.  Escalating non-compliance to governance and oversight structures for consequence management. |
|  | Mismanagement of resources by public institutions due to non-compliance to Treasury directive and ineffective governance structures in institutions leading to lack of accountability and consequence management and adverse audit findings/outcomes.                               | Enforce compliance to Treasury recommendations by escalating non-compliance to governance and oversight structures for consequence management.  Monitoring the effectiveness of governance structures.  Determine expectation and develop performance indicators for governance structures.  Bi monthly reports on challenges and recommendations.                      |

# 4.4.5. RECONCILING PERFORMANCE TARGETS WITH THE BUDGET AND MTEF

### **Expenditure estimates**

Table 5.6(b): Summary of provincial payments and estimates by economic classification: Programme 4: Financial Governance

|                                   |         | Outcome |         | Main          | Adjusted                 | Revised  | Medi    | um-term estimat | es      |
|-----------------------------------|---------|---------|---------|---------------|--------------------------|----------|---------|-----------------|---------|

| Biological assets                 | -       | -       | -       | _             | -                        | -        | -       | -               | -       |
| Land and sub-soil assets          | -       | -       | -       | -             | -                        | -        | -       | -               | -       |
| Software and other intangible as  | -       | -       | 958     | _             | -                        | -        | _       | -               | -       |
| Payments for financial assets     | -       | 59      | 23      | -             | -                        | -        | -       | -               | -       |
| Total economic classification     | 95 203  | 78 390  | 77 610  | 97 253        | 85 757                   | 90 461   | 136 305 | 143 776         | 150 186 |

### Performance and expenditure trends

Overall allocation for the programme increase by 29 per cent from R97. 3 million in 2017/18 to R136 million in 2018/19 and this is due to the relocation of the sub programme Support & Interlinked Financial System from Assets & Liabilities branch to this branch.

Compensation of Employees increase by 22 per cent and this is mainly due to the relocation of personnel from branch Assets & Liabilities when the sub-programme Support & Interlinked Financial Systems was added to this branch. The funding will cater for general salary increase as well as filling of funded vacant posts within the branch.

Goods and Services increases by 35 per cent from R15.9 million in 2017/18 to R44.9 million in 2018/19 and the allocation will cater for SITA services, renewal of teammate software licence whilst the rest of the budget will mainly be for payments of audit committee members travelling and accommodation costs for Internal audit and Financial training personnel who conduct audits and financial training to all 13 Provincial departments including districts.

## PART C: LINKS TO OTHER PLANS

# 5. LINKS TO THE LONG TERM INFRASTRUCTURE AND OTHER CAPITAL PLANS

There are no long term infrastructure and other capital plans in the department.

### 6. CONDITIONAL GRANTS

The Department does not administer any conditional grants.

### 7. PUBLIC ENTITIES

The department does not oversee any public entities.

### 8. PUBLIC-PRIVATE PARTNERSHIPS

The department has no public-private partnership agreements entered into.

# **ANNEXURES**

### **ANNEXURE 1: TECHNICAL INDICATORS FOR PROGRAMME 1**

### **Technical Indicator Definitions**

Strategic outcome oriented Goal 1: Strategic partnership that enables effective execution of the department's legislative mandate.

| Indicator number          | 1   |
|---------------------------|---|
| Indicator title           | Number of PMDS moderations finalized by moderation committees.  |
| Short definition          | Moderation assessments finalized for level 2- 12 moderation committee, SMS – level 13-14 moderation committee and departmental moderation committee and reports compiled and approved.  The Moderation reports for 1st Quarter will be for 2017/18 Annual reviews whereas 3rd Quarter moderations will be on 2018/19 Mid – term reviews |
| Purpose/importance        | To ensure departmental compliance to the PMDS Policy.   |
| Source/collection of data | Performance Agreements and Performance Review Discussion, PMDS Policy and Procedures  |
| Method of calculation     | Simple count  |
| Data limitations          | Non and late submission of PIs by employees.  |
| Type of indicator         | Output  |
| Calculation type          | Non-Cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | Yes   |
| Desired performance       | All moderations completed.  |
| Indicator responsibility  | Director: HRM   |

| Indicator number          | 2  |
|---------------------------|--|
| Indicator title           | Number of risk management reports submitted to EXCOM.  |
| Short definition          | Quarterly risk management reports discussed by Risk Management Committee and presented to EXCOM. |
| Purpose/importance        | To monitor implementation of mitigations plans.  |
| Source/collection of data | Progress reports by programmes, Departmental Risk Register.                                      |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non - cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | Yes  |
| Desired performance       | All 4 risk management reports presented to EXCOM.  |
| Indicator responsibility  | Director: Enterprise Risk Management   |

| Indicator number          | 3  |
|---------------------------|--|
| Indicator title           | Number of prioritised ICT projects implemented in line with ICT Plan   |
| Short definition          | Implementation of prioritized ICT projects in line with ICT Plan through completion of activities and tasks as outlined in the ICT / Operational Plan. The projects are PMDS system and Leave Management system. |
| Purpose/importance        | Implementation of prioritized ICT projects in line with ICT Plan to improve management of information within the department  |
| Source/collection of data | Branches in the department, IT Steering Committee and SITA   |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non - cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | All four prioritized ICT projects implemented in line with ICT Plan  |
| Indicator responsibility  | Director: GITO   |

| Indicator number          | 4  |
|---------------------------|--|
| Indicator title           | Number of departmental quarterly performance reports produced in line with Performance Information Management Frameworks and guidelines.   |
| Short definition          | 1st, 2nd, 3rd and 4th Quarterly Performance Reports that are finalized and submitted to Office of the Premier.   |
| Purpose/importance        | Department's compliance to the planning and performance information frameworks and to ensure that there is integrated planning and outcomes based performance monitoring for effective and efficient service delivery. |
| Source/collection of data | Strategic Plan, Annual Performance Plan, Quarterly and Annual Reports  |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non-cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | Yes  |
| Desired performance       | All 4 Quarterly Performance Reports submitted to OTP.  |
| Indicator responsibility  | Director: Strategic Operations and Policy Coordination   |

| Indicator number          | 5   |
|---------------------------|---|
| Indicator title           | Number of budget documents compiled and submitted   |
| Short definition          | Four (4) Budget allocation documents (1st ,2nd ,Adjustment and Final Budgets) submitted to Treasury |
| Purpose/importance        | To indicate budget allocations to programmes in the department.                                     |
| Source/collection of data | BAS, Vulindlela & PERSAL reports  |
| Method of calculation     | Simple count  |
| Data limitations          | None  |
| Type of indicator         | Output  |
| Calculation type          | Non-Cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | No  |
| Desired performance       | 4 budget documents compiled and submitted to Treasury.  |
| Indicator responsibility  | Director: Management Accounting   |

| Indicator number          | 6  |
|---------------------------|--|
| Indicator title           | Number of financial statements compiled and submitted for review by Provincial Treasury in line with the reporting framework   |
| Short definition          | Four (4) of financial statements (Annual, 1st, 2nd and 3rd Quarter Financial Statements) compiled and submitted to Provincial Treasury in line with reporting framework. |
| Purpose/importance        | To report on how the department accounts for its transactions  |
| Source/collection of data | BAS, Vulindlela & PERSAL reports   |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non-Cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | 4 sets of financial statements compiled and submitted for audit purposes   |
| Indicator responsibility  | Director: Financial Accounting   |

| Indicator number          | 7  |
|---------------------------|--|
| Indicator title           | % of supplier's valid invoices paid within 30 days   |
| Short definition          | The performance indicator measures the total number of valid invoices paid versus received within 30 days. |
| Purpose/importance        | This performance indicator indicates how effectively the department pays its supplies                      |
| Source/collection of data | Invoice Register and BAS Reports   |
| Method of calculation     | % of invoices paid = Number of invoices paid/total number of valid invoices received                       |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non-cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | All valid invoices paid within 30 days   |
| Indicator responsibility  | Director: Financial Accounting   |

| Indicator number          | 8  |
|---------------------------|--|
| Indicator title           | Number of reconciliations done on the asset registers  |
| Short definition          | Monthly Reconciled asset and inventory registers in line with the Asset and Inventory Management Frameworks. |
| Purpose/importance        | To control and safeguard state owned assets  |
| Source/collection of data | LOGIS, Vulindlela, BAS and Finest  |
| Method of calculation     | Simple count   |
| Data limitations          | Unavailability of integrated SCM systems (Procurement, Asset and Inventory)                                  |
| Type of indicator         | Output   |
| Calculation type          | Non-cumulative   |
| Reporting cycle           | Monthly  |
| New indicator             | No   |
| Desired performance       | Actual performance is desirable  |
| Indicator responsibility  | Director: Supply Chain Management  |

### **ANNEXURE 2: TECHNICAL INDICATORS FOR PROGRAMME 2**

### **Technical Indicator Definitions**

Strategic outcome oriented Goal 2: Responsive, accountable, effective and efficient provincial and local government system.

| Indicator number          | 1   |
|---------------------------|---|
| Indicator title           | Number of Research documents produced to align the Provincial Fiscal Policy   |
| Short definition          | Conduct research on Provincial Socio-Economic status to produce 1<br>Socio Economic Review and Outlook (SERO), 4 Quarterly Economic<br>Bulletins (QEB), 1 Medium Term Budget Policy Statement (MTBPS) and 1<br>Estimated Provincial Revenue and Expenditure (EPRE) Overview |
| Purpose/importance        | To ensure that Provincial resources are allocated according to the needs of the province  |
| Source/collection of data | International Monetary Fund (IMF), Statistics South Africa (StatsSA),<br>National Treasury and IHS Global Insight Company.  |
| Method of calculation     | Simple calculations   |
| Data limitations          | Most indicators are aggregated at national level  |
| Type of indicator         | Output  |
| Calculation type          | Cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | No  |
| Desired performance       | All 7 research documents produced to align the Provincial Fiscal Policy   |
| Indicator responsibility  | Director: Macro Economic Analysis   |

| Indicator number          | 2  |
|---------------------------|--|
| Indicator title           | Number of revenue assessments conducted to ensure collection of set target   |
| Short definition          | Assessment conducted on progress of revenue collection by departments and public entities to ensure collection of revenue set target.            |
| Purpose/importance        | Ensure attainment of set target.   |
| Source/collection of data | Monthly and quarterly reports from departments and budget books  |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Cumulative   |
| Reporting cycle           | Monthly and Quarterly  |
| New indicator             | Yes  |
| Desired performance       | Maximisation of provincial own revenue generation by maintaining current revenue and identification of sustainable new revenue sources/projects. |
| Indicator responsibility  | Director: Fiscal Development   |

| Indicator number          | 3   |
|---------------------------|---|
| Indicator title           | Number of budget documents tabled in line with the set standards and National Treasury guidelines   |
| Short definition          | Main Appropriation Bill and Adjustment Budget documents compiled and tabled   |
| Purpose/importance        | To compile and table the Main Appropriation Bill and Adjustment Budget documents in order to improve provincial budgets credibility and alignment of budget to priorities |
| Source/collection of data | Budget documents (Budget Statements, Appropriation Bills and Schedules, Citizen Guides, etc.)   |
| Method of calculation     | Simple count  |
| Data limitations          | None  |
| Type of indicator         | Output  |
| Calculation type          | Non- Cumulative   |
| Reporting cycle           | Quarterly   |
| New indicator             | No  |
| Desired performance       | Compiled and tabled Main Appropriation Bill and Adjustment Budget documents in line with the set standards  |
| Indicator responsibility  | Director: Budget Management   |

| Indicator number          | 4   |
|---------------------------|---|
| Indicator title           | Number of consolidated provincial in year monitoring reports produced in line section 32 of PFMA.   |
| Short definition          | 12 monthly provincial IYMs produced in line section 32 of PFMA to ensure that 13 departments spend within 100% of their allocated budgets |
| Purpose/importance        | To ensure 13 departments and 5 public entities spent within 100% of their allocated budget  |
| Source/collection of data | In Year Monitoring report and budget book   |
| Method of calculation     | Simple count  |
| Data limitations          | None  |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Monthly   |
| New indicator             | No  |
| Desired performance       | That all 12 monthly provincial IYMs are produced for 13 departments   |
| Indicator responsibility  | Director Public Finance   |

| Indicator number          | 5  |
|---------------------------|--|
| Indicator title           | Number of Infrastructure Reporting Model assessments conducted   |
| Short definition          | The Performance indicator measures the number of Infrastructure Reporting Model assessments that are conducted for nine infrastructure departments (Health, Social Development, Agriculture, Public Works, Transport, CoGSTA, Sport, Arts and Culture, LEDET and Education) and feedback provided for implementation of recommendations. |
| Purpose/importance        | To ensure nine (9) infrastructure departments spent within their allocated budget and deliver infrastructure budget in line with tabled project lists  |
| Source/collection of data | Web based Infrastructure Reporting Model (IRM) and monthly ITMC reports  |
| Method of calculation     | Simple Count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non-cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | Yes  |
| Desired performance       | All 108 IRM assessments conducted  |
| Indicator responsibility  | Director: Infrastructure Management  |

| Indicator number          | 6  |
|---------------------------|--|
| Indicator title           | Number of municipal budget assessments conducted   |
| Short definition          | Assessment conducted on municipal budget and feedback provided to municipalities for implementation of recommendations.  The assessments will cover the following key issues: Credibility, Relevance and Sustainability. |
| Purpose/importance        | Ensure compliance with MFMA and Municipal Budget Reporting Regulation.   |
| Source/collection of data | Municipal Budget Documents.  |
| Method of calculation     | Simple count.  |
| Data limitations          | Non submission of budget documents by municipalities.  |
| Type of indicator         | Output   |
| Calculation type          | Non-cumulative   |
| Reporting cycle           | Annually   |
| New indicator             | Yes  |
| Desired performance       | That all 26 Municipal budget assessments conducted   |
| Indicator responsibility  | Chief Director: Municipal Finance  |

| Indicator number          | 7   |
|---------------------------|---|
| Indicator title           | Number of IYM assessments conducted on the implementation of the municipal budget.  |
| Short definition          | Assessments conducted on municipal budget implementation and feedback provided to municipalities for implementation of recommendations. |
| Purpose/importance        | Ensure compliance with MFMA and Municipal Budget Reporting Regulation.  |
| Source/collection of data | Section 71 reports.   |
| Method of calculation     | Simple count.   |
| Data limitations          | Non submission of section 71 reports by municipalities.   |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | Yes   |
| Desired performance       | That all 26 Municipal IYM assessments conducted.  |
| Indicator responsibility  | Chief Director: Municipal Finance   |

| Indicator number          | 8   |
|---------------------------|---|
| Indicator title           | Number of municipal governance assessments conducted  |
| Short definition          | Assessment conducted on governance matters and feedback provided to municipalities for implementation of recommendations. The assessments will cover the following key issues: 1st Quarter will focus on SCM and Risk. 2nd Quarter will focus on Internal Audit. 3rd Quarter will focus on Risk and Internal Audit. |
| Purpose/importance        | Ensure compliance with MFMA.  |
| Source/collection of data | Municipal Documents.  |
| Method of calculation     | Simple count.   |
| Data limitations          | Non submission of documents by municipalities.  |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | Yes   |
| Desired performance       | That all 26 Municipal governance assessments conducted  |
| Indicator responsibility  | Chief Director: Municipal Finance   |

| Indicator number          | 9   |
|---------------------------|---|
| Indicator title           | Number of municipal accounting assessments conducted.   |
| Short definition          | Assessments conducted on accounting related matters and feedback provided to municipalities for implementation of recommendations |
| Purpose/importance        | Ensure compliance with MFMA, Accounting Framework and guidelines  |
| Source/collection of data | Municipal documents   |
| Method of calculation     | Simple count.   |
| Data limitations          | Non submission of documents by municipalities.  |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | Yes   |
| Desired performance       | That all 26 Municipal accounting assessments conducted  |
| Indicator responsibility  | Chief Director: Municipal Finance   |

### **ANNEXURE 3: TECHNICAL INDICATORS FOR PROGRAMME 3**

### **Technical Indicator Definitions**

Strategic outcome oriented Goal 2: Responsive, accountable, effective and efficient provincial and local government system

| Indicator number          | 1  |
|---------------------------|--|
| Indicator title           | Number of asset management assessments conducted to votes and public entities.   |
| Short definition          | Conduct Asset Management assessments through monitoring and support activities on Maintenance of assets registers, Asset verifications, Safeguarding of assets, Assets disposals and Inventory management to (12) votes and five (5) public entities and provide feedback to 12 votes and 5 public entities for implementation of LPT recommendations. |
| Purpose/importance        | To ensure effective, efficient and economical Asset Management   |
| Source/collection of data | Provincial departments and public entities   |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non - cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | All 68 assessments conducted   |
| Indicator responsibility  | Director: Provincial Asset Management  |

| Indicator number          | 2  |
|---------------------------|--|
| Indicator title           | Number of cash management assessments conducted to votes and public entities.  |
| Short definition          | Conduct Cash Management assessments through monitoring and support activities on Cash flow management, implementation of banking contract, face value documents control, maintenance of the debts register and the clearance of debts to thirteen (13) votes and five (5) public entities. Assessment reports reports will be submitted to thirteen (13) votes and five (5) public entities as feedback for implementation of LPT recommendations. |
| Purpose/importance        | To enhance compliance with banking and cash management prescripts.   |
| Source/collection of data | Government financial systems, annual financial statements, bank statements (provincial banker and SA Reserve Bank), banking contract and SLA, budget statements, IYM, PFMA, Treasury Regulations, DoRA and National Payment Schedule.  |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non – cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | All 72 assessments conducted   |
| Indicator responsibility  | Director: Banking and Cash-flow Management   |

| Indicator number          | 3  |
|---------------------------|--|
| Indicator title           | Number of SCM assessments conducted to votes and public entities   |
| Short definition          | Conduct assessments of compliance on procurement administration, management of quotations and bids to avoid deviations, irregular expenditure, fruitless and wasteful expenditure in 12 votes and 5 public entities. The assessment reports will be submitted to twelve (12) votes and five (5) public entities as feedback for implementation of LPT recommendations. |
| Purpose/importance        | To increase SCM compliance on SCM prescripts   |
| Source/collection of data | Vouchers, Contracts, Bid Documents, Procurement Plans, Bid Committee<br>Minutes and reports from Provincial Votes and public entities  |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non- Cumulative  |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | All 68 assessments conducted   |
| Indicator responsibility  | Director: SCM Policy Development and Implementation  |

| Indicator number          | 4  |
|---------------------------|--|
| Indicator title           | Number of contract management assessments conducted to votes and public entities   |
| Short definition          | Conduct contract management reviews and assessment on compliance with deliverables in terms of Service Level Agreements, contract registers, records management and administration of transversal contracts by 12 votes (excluding Legislature) and five (5) public entities.  The assessment reports will be submitted to twelve (12) votes and five (5) public entities as feedback for implementation of LPT recommendations. |
| Purpose/importance        | To support execution of contracts by departments to avoid deviations which lead to unnecessary litigations emanating from signed Service Level Agreements  |
| Source/collection of data | Vouchers, Contracts and Reports on utilisation of contracts from Provincial Votes and Public Entities  |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non-cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | Yes  |
| Desired performance       | All 68 assessments conducted   |
| Indicator responsibility  | Director: Demand & Acquisition Management  |

| Indicator number          | 5   |
|---------------------------|---|
| Indicator title           | Number of assessments conducted on strategic procurement targets of departments and public entities   |
| Short definition          | Conduct assessment on strategic procurement targets of departments and public entities.  The assessment reports will be submitted to twelve (12) provincial departments (excluding Legislature) and five (5) public entities as feedback for implementation of LPT recommendations. |
| Purpose/importance        | To support implementation of the CSD by votes and public entities   |
| Source/collection of data | CSD, BAS and LOGIS Reports for Votes and Public Entities.   |
| Method of calculation     | Simple count  |
| Data limitations          | None  |
| Type of indicator         | Output  |
| Calculation type          | Non-Cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | No  |
| Desired performance       | All 68 assessments conducted  |
| Indicator responsibility  | Director: SCM Advice Centre   |

### **ANNEXURE 4: TECHNICAL INDICATORS FOR PROGRAMME 4**

### **Technical Indicator Definitions**

Strategic outcome oriented Goal 2: Responsive, accountable, effective and efficient provincial and local government system

| Indicator number          | 1   |
|---------------------------|---|
| Indicator title           | Number of courses conducted on transversal systems.   |
| Short definition          | Financial management capacity building through training courses.  Training of departmental officials (nominated) on transversal systems (BAS & LOGIS 65, PERSAL - 42) |
| Purpose/importance        | Improve skills of officials on utilization of transversal systems in order to improve financial management in the province  |
| Source/collection of data | Departmental nomination list, number of trainers, number and availability of training venues, availability of the system.   |
| Method of calculation     | Simple count.   |
| Data limitations          | Non-availability of trainers, training venues, network and the system   |
| Type of indicator         | Output  |
| Calculation type          | Non - Cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | No  |
| Desired performance       | Actual performance that is higher than targeted performance is desirable  |
| Indicator responsibility  | Director: Financial Training  |

| Indicator number          | 2   |
|---------------------------|---|
| Indicator title           | Number of long-term financial management qualification programmes provided in Provincial Departments  |
| Short definition          | Financial management capacity building facilitated through arrangement of a long term financial management programme (Public Sector Accounting Certificate programme) to finance officials in Provincial Departments. |
| Purpose/importance        | Improve financial management skills in the province.  |
| Source/collection of data | Service Providers, Training schedules, Nomination list of officials and attendance registers,   |
| Method of calculation     | Simple count  |
| Data limitations          | Non availability of participants to the programme   |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | No  |
| Desired performance       | Actual performance that is higher than targeted performance is desirable  |
| Indicator responsibility  | Director: Financial Training  |

| Indicator number          | 3   |
|---------------------------|---|
| Indicator title           | Number of AG action plan assessments conducted to departments and public entities   |
| Short definition          | The assessment reports on implementation of AG Action Plan by votes and public entities and feedback provided for implementation of recommendations. The assessment reports will include progress made by each institution towards resolving AG audit findings, analysis and recommendations. |
| Purpose/importance        | Improved audit outcomes for votes and public entities   |
| Source/collection of data | AG Action Plans for departments and public entities and implementation reports from departments and public entities   |
| Method of calculation     | Simple count  |
| Data limitations          | Non availability of progress reports and limitation of skills to review and provide advice on submitted progress reports  |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | New   |
| Desired performance       | All 68 assessments conducted  |
| Indicator responsibility  | Director: Norms & Standards   |

| Indicator number          | 4  |
|---------------------------|--|
| Indicator title           | Number of 30 days payment assessments conducted                              |
| Short definition          | Assessments conducted to departments on payment of suppliers within 30 days. |
| Purpose/importance        | Assist departments to pay all invoices within 30 days                        |
| Source/collection of data | Departmental reports on payment of suppliers                                 |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non - Cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | Yes  |
| Desired performance       | All 4 assessments conducted  |
| Indicator responsibility  | Director: Norms & Standards  |

| Indicator number          | 5  |
|---------------------------|--|
| Indicator title           | Number of audit committee meetings supported in votes and public entities.   |
| Short definition          | Support Audit Committee meetings for 12 votes and 5 public entities by scheduling, arranging logistics and provision of secretariat support. |
| Purpose/importance        | Ensures that meetings of the Audit Committee take place as planned   |
| Source/collection of data | Audit Committee packs, attendance registers, minutes and Audit Committee reports   |
| Method of calculation     | Simple count   |
| Data limitations          | None submission of information by votes  |
| Type of indicator         | Output   |
| Calculation type          | Non - Cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | All 65 meetings of the Audit Committee supported   |
| Indicator responsibility  | Director: Norms & Standards  |

| Indicator number          | 6   |
|---------------------------|---|
| Indicator title           | Number of financial statement assessments conducted to departments and public entities  |
| Short definition          | Assessments conducted on departments and public entities financial statements and feedback provided for implementation                                      |
| Purpose/importance        | To ensure that all 12 votes and 5 public entities are adequately assessed and feedback provided so that public funds are properly and timely accounted for. |
| Source/collection of data | Financial Reports   |
| Method of calculation     | Simple count  |
| Data limitations          | Non submission of AFS by votes and public entities  |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | No  |
| Desired performance       | All 12 votes and five public entities are assessed and feedback provided  |
| Indicator responsibility  | Director: Provincial Financial Reporting  |

| Indicator number          | 7   |
|---------------------------|---|
| Indicator title           | Number of consolidated Annual financial statements for votes and for public entities prepared in line with PFMA and submitted for audit   |
| Short definition          | Consolidated AFS for votes (one pre – audited and one audited) and for public entities (one pre – audited and one audited) are prepared and submitted for audit within the prescribed PFMA timeframes |
| Purpose/importance        | To ensure that votes and public entities AFS are consolidated and submitted to AG.  |
| Source/collection of data | Audited votes, public entities and Provincial Revenue Fund AFS  |
| Method of calculation     | Simple count  |
| Data limitations          | Delays in preparation and audit of the AFS  |
| Type of indicator         | Output  |
| Calculation type          | Cumulative  |
| Reporting cycle           | Bi-Annually   |
| New indicator             | No  |
| Desired performance       | All Annual financial statements for votes and for public entities are consolidated and submitted to AG as per target  |
| Indicator responsibility  | Director: Provincial Financial Reporting  |

| Indicator number          | 8  |
|---------------------------|--|
| Indicator title           | Number of assessment reports on provincial risk profile issued to HOD's forum  |
| Short definition          | Assessment reports on the monitoring of Provincial Risk Profile and feedback provided to the HOD's forum   |
| Purpose/importance        | To bring the provincial strategic risks to the attention of EXCO in order to allow them to focus their efforts and limited resources in mitigating the risks that can hinder the achievement of our provincial goals as outlined in the LDP and allow the province to benefit from economies of scale while sourcing measures to address risks that are of transversal nature. |
| Source/collection of data | Votes and Public Entities risk profiles; Limpopo Development Plan; departments and public entities annual performance plans (APPs'); Auditor General reports and Internal Audit reports; Stakeholder Consultations   |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non - cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | Yes  |
| Desired performance       | Provincial Risk profile monitored quarterly  |
| Indicator responsibility  | Director : Transversal Risk Management   |

| Indicator number          | 9  |
|---------------------------|--|
| Indicator title           | Number of public sector risk management framework compliance assessments conducted to departments and public entities  |
| Short definition          | Assessment reports on compliance with the Public Sector Risk Management Framework and feedback provided to Provincial Departments and Public Entities for implementation of recommendations. |
| Purpose/importance        | To ensure compliance by votes and public entities to the Public Sector Risk Management Framework   |
| Source/collection of data | Votes and Public Entities quarterly Risk Management Reports, Public Sector Risk Management Framework   |
| Method of calculation     | Simple count   |
| Data limitations          | Integrity and timeous submission of data is dependent on the submissions by votes. Common language of risks within the departments   |
| Type of indicator         | Output   |
| Calculation type          | Non-cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | Yes  |
| Desired performance       | All 68 assessments conducted   |
| Indicator responsibility  | Director: Transversal Risk Management  |

| Indicator number          | 10   |
|---------------------------|--|
| Indicator title           | Number of assessment reports on financial system utilization issued to departments for implementation  |
| Short definition          | Assessment reports on financial system utilization issued to all votes. The assessment reports will cover the following key issues:  1) Analysis of PERSAL backdated salary terminations and allowances  2) Analysis of Trial Balances in BAS  3) Analysis of Balance Score Card in LOGIS  4) Monitoring of User Account Management (LOGIS, BAS, PERSAL, BAUD, BARNOWL)  5) Analysis of incidents logged through the call logging tool |
| Purpose/importance        | To track the financial systems utilization in 13 Votes to ensure effective usage   |
| Source/collection of data | HRM Reports, Trial Balance, User Account Management Reports, SITA and IBM SLAs   |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non - cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | All 13 votes supported on financial systems utilization  |
| Indicator responsibility  | Director: Systems Administration   |

| Indicator number          | 11   |
|---------------------------|--|
| Indicator title           | Number of LOGIS sites implemented  |
| Short definition          | Implementation of LOGIS in 24 sites (Department of Health - Hospitals) through executing activities as outlined in the LOGIS implementation plan |
| Purpose/importance        | To coordinate the implementation of financial systems in the province  |
| Source/collection of data | Project progress reports, Asset Register   |
| Method of calculation     | Simple count   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Non - cumulative   |
| Reporting cycle           | Quarterly  |
| New indicator             | No   |
| Desired performance       | All identified LOGIS sites implemented   |
| Indicator responsibility  | Director: Systems Development  |

| Indicator number          | 12  |
|---------------------------|---|
| Indicator title           | Number of three year strategic rolling and annual audit plans prepared by Provincial Internal Audits and approved by Audit Committee for the year 2019/20.                                |
| Short definition          | Three year rolling and annual audit plans for the 12 votes(excluding Legislature as listed under table 2 & 3 of this APP) approved by the Audit Committee for the financial year 2019/20. |
| Purpose/importance        | To agree on the auditable areas for the 12 votes with key stakeholders to ensure a systematic audit process   |
| Source/collection of data | Departmental Risk Profiles and departmental strategic goals   |
| Method of calculation     | Simple count  |
| Data limitations          | None  |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Annually  |
| New indicator             | No  |
| Desired performance       | All 12 votes three year rolling and annual audit plans prepared and approved timeously  |
| Indicator responsibility  | Chief Audit Executive   |

| Indicator number          | 13  |
|---------------------------|---|
| Indicator title           | % of Internal Audits finalised in terms of the approved Audit Plans   |
| Short definition          | This performance indicator measures the percentage of audits finalised and communicated to departments (all votes except Legislature) in accordance with the approved internal audit plan.  Performance will be calculated as follows:  Number of audits finalised against the total planned audits for the quarter and financial year. |
| Purpose/importance        | To audit 12 votes in accordance with the approved internal audit plan to improve the effectiveness of internal controls, risk management and governance in departments.   |
| Source/collection of data | Internal audit practices and departmental data  |
| Method of calculation     | Percentage  |
| Data limitations          | Non-submission of required data and delays in management comments from departments.   |
| Type of indicator         | Output  |
| Calculation type          | Non-cumulative  |
| Reporting cycle           | Quarterly   |
| New indicator             | Yes   |
| Desired performance       | Actual performance that is higher than targeted performance is desirable  |
| Indicator responsibility  | Chief Audit Executive   |

| Indicator number          | 14   |
|---------------------------|--|
| Indicator title           | Number of annual internal Quality Assurance Improvement Programme (QAIP) Implementation Report prepared to improve the quality of client services.   |
| Short definition          | This performance indicator measures the number of reports on the quality of work performed by the Internal Audit function to enhance the credibility and the value proposition to its clients and relevant stakeholders. |
| Purpose/importance        | To prepare annual internal Quality Assurance Improvement Plan to improve the quality of work product of the Internal Audit Activity  |
| Source/collection of data | Institute of Internal Auditor's Standards  |
| Method of calculation     | Non - cumulative   |
| Data limitations          | None   |
| Type of indicator         | Output   |
| Calculation type          | Simple count   |
| Reporting cycle           | Annually   |
| New indicator             | No   |
| Desired performance       | Actual performance that is higher than targeted performance is desirable   |
| Indicator responsibility  | Chief Audit Executive  |
