Limpopo Provincial Treasury to Host Suppliers Information Help Desk

The Limpopo Provincial Treasury will, over three days, host a Suppliers Information Help Desk in the Fetakgomo-Tubatse Local Municipality, Sekhukhune District, as part of the Limpopo Provincial Government's District Development Model Integrated Service Delivery Week.

Through its Sekhukhune District Supply Chain Management Client Support Centre, the Limpopo Provincial Treasury will assist suppliers and prospective suppliers with information on supply chain management processes, including how to register businesses on the Central Supplier Database (CSD), navigating the CSD Requests For Quotations (RFQ) online functionality and also with capturing commodities.

The initiative is aimed at helping local businesses access opportunities within the public procurement system and contribute to economic growth, job creation and poverty reduction.

The Integrated Service Delivery Week is an initiative of the Limpopo Provincial Government aimed at bringing government services closer to communities. Team Treasury will be on the ground to provide information and support to suppliers community members.

Businesses that are already registered, as well as prospective suppliers are invited to visit the on-site Help Desk for assistance planned as follows:
