Dear Sir / Madam

REQUEST FOR INPUTS INTO MUNICIPAL FINANCE SUPPORT PLAN: 2011/2012

The duties of National Treasury and Provincial Treasury in terms of section 5 of the MFMA, confers on the Treasuries the following responsibilities:

- Section 5(1)(c) empowers the Treasuries to enforce compliance with the measures established in terms of section 216 (1) of the Constitution, including those established in terms of the MFMA, and
- Section 5(2) further states that, to the extent necessary to comply with subsection (1), the Treasuries may:

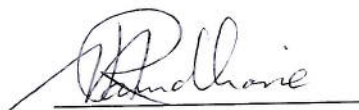

- monitor and assess compliance by municipalities with the Act;
- investigate any system of financial management and internal control in any municipality and recommend improvements; and
- Take any other appropriate steps necessary to perform its functions effectively.

The Provincial Treasury is in the process of finalising the municipal support activity plan for the financial year 2011/2012. We request municipalities to provide us with the inputs on the focal areas on which the support is required. Inputs to the municipal support plan should be sent to luulats@treasury.limpopo.gov.za by no later than 31 January 2011.

The contents of the circular should also be brought to the attention of the Internal Auditors and Risk Officers and other relevant staff members.

Your urgent response with regard to this matter will be appreciated.

Yours in public finance

N Ramdharie

HOD: Provincial Treasury
