LIMPOPO PROVINCIAL REVENUE AND EXPENDITURE REPORT AS AT 31 OCTOBER 2017

1. Purpose

To submit to the National Treasury a report on Limpopo Provincial Revenue and Expenditure as at 31 October 2017.

2. Background

The Limpopo Provincial Treasury hereby submit the provincial revenue and expenditure report as at 31 October 2017 in line with chapter 5, section 40 (4) (c) (i) – (iii) of the Public Finance Management Act (PFMA), 1999 (Act No. 1 of 1999) as amended by Act 29 of 1999. The Act requires the designated accounting officers of departments to submit to the provincial treasury, information on actual revenue and expenditure for the preceding month and again provided the anticipated revenue and expenditure for the remaining period of the financial year and explanation on material variance.

3. Discussion

The Limpopo provincial government revenue and expenditure trend for the period under review finds its basis on the October 2017 In-Year Monitoring (IYM) reports from various provincial departments. Departmental submissions were duly analyzed in terms of the projected revenue and expenditure, projected cash requests and actual expenditure as recorded in the IYM reports and Infrastructure Reporting Model (IRM) submissions. The explanations for the variances were provided by departments as per their IYM and IRM variance reports and where necessary, further clarity was sought from the departments in line with the requirements of the Provincial Treasury Instruction Notes 03 of 2012, 09 of 2012 and 04 of 2013.

4. Cash Management

To ensure that service delivery continues without disruptions relating to cash flow problems as well as to alleviate cash flow challenges experienced in the previous financial year, PERSAL runs are scheduled 5 times a month (i.e. the 15th for normal salaries, 22nd for Educators' salaries, two Supplementary payments/claims and month-end for probation, contract employees and third party deductions; and BAS runs (payments of suppliers) are scheduled twice, i.e. for the 15th and for month-end.

2017/18 Cash Allocation bilateral were held with all Provincial departments from the 15th & 18th of May 2017. Cash allocation letters for 2017/18 financial year was issued to all departments on the 30th of May 2017, indicating cash available for each payment run as well as the processes to be followed by departments to enable Provincial Treasury to release payment tapes. Schedule of payments runs were also sent to departments to enable them to inform service providers of the dates of payments as they serve them with invoices for services rendered:-

As at 31st October 2017, departments under-spent the cash allocations by R1.075 billion or 2.9 per cent, when comparing actual expenditure to the cash flow projections or cash allocations. It should be clear that the under-spending has nothing to do with availability of cash or Treasury interruptions as Treasury has given cash allocations and processes well upfront.

On the other hand transfers to departments were R136.2 million or 0.4 per cent more than actual expenditure. The reason for transferring more funds than was required is due to the closing of unfavorable opening PMG balances of department of Health at the beginning of April 2017.

When compared to the same period in the previous financial year, interest revenue decrease from R222.8 million in 2016/17 to R212.8 million for 2017/18 whereas interest earned in the CPD account alone decreased from R210.0 million to R201.2 million.
