LIMPOPO PROVINCIAL REVENUE AND EXPENDITURE REPORT AS AT 30 APRIL 2015

1. Purpose

To provide National Treasury with a report on Provincial Revenue and Expenditure as at 30 April 2015.

2. Background

The Limpopo Provincial Treasury hereby submit the April 2015 Provincial revenue and expenditure report for the provincial government. Kindly note that this is in accordance with chapter 5, section 40 (4) (b) of the Public Finance Management Act (PFMA), 1999 (Act No. 1 of 1999) as amended by Act 29 of 1999, which requires the designated Accounting officer of a department to submit information to the provincial treasury in the prescribed format on actual revenue and expenditure for the preceding month and the amounts anticipated for that month in terms of section 40 (4) (a) and all other necessary information submitted to Provincial Treasury by departments in terms of section 40 (4) (c).

3. Discussion

The Limpopo provincial government revenue and expenditure trend for the period under review is based on the April 2015 In-Year Monitoring (IYM) reports from various provincial departments. Departmental submissions were duly analysed in terms of the projected expenditure, projected cash requests and actual expenditure as recorded in the IYM and Infrastructure Reporting Model (IRM) submissions. The explanations provided for the variances were provided by departments as per their IYM and IRM variance report and where necessary further clarity was sought from the departments in line with the requirements of the Provincial Treasury Instruction Notes 03 of 2012, 09 of 2012 and 04 of 2013.

4. Cash Management

Cash allocation letters for 2015/16 financial year will be issued to departments indicating cash available for each payment run as well as the processes to be followed by departments to enable Provincial Treasury to release payment tapes. Schedule of payments runs were also sent to departments to enable them to inform service providers of the dates of payments as they serve them with invoices for services rendered:-

- PERSAL runs are scheduled four times a month, i.e. the 15th for normal salaries, 22nd for Educators' salaries, last Wednesday of the month for supplementary payments (claims) and month-end for probation and contract employees and Third Party deductions.
- BAS runs (payments of suppliers) are scheduled twice, i.e. for the 15th and for month-end.

These systems and processes were put in place to ensure that service delivery continues without disruptions relating to cash flow problems as well as to alleviate cash flow challenges experienced in the previous financial year.

4.1. Cash Allocations Vs Actual Expenditure Vs Actual Funds Transferred

An analysis of cash projections, actual expenditure and actual funds transferred indicates departments' ability to plan, budget and spend. The table below provides cash flow projections, actual expenditure and transfers to departments during April 2015.

When comparing actual expenditure to the cash flow projections or cash allocations, departments under-spent the cash allocations by R1.2 billion or 26.5 percent. It should be clear that the under-spending has nothing to do with availability of cash or Treasury interruptions as Treasury has given cash allocations and processes well upfront.

On the other hand transfers to departments were R739.3 million or 22.7 percent less than actual expenditure.

4.2. Interest Performance

When compared to the same period in the previous year as indicated in the table below interest revenue grows from R17.5 million in 2014/15 to R19.9 million for 2015/16. Interest earned in the CPD account alone grew from R12.3 million to R14.4 million.
