#### **REMINDER: LIMPOPO BUDGET TIPS IS OPEN TO MEMBERS OF THE PUBLIC**

MEC for Provincial Treasury, Mr David Masondo will present the Budget Speech 2011 Medium Term Expenditure Framework (MTEF).

A budget is a central catalyst towards government providing wheels to its service delivery vehicle.

Therefore, members of the public are invited to make their comments in order to advise provincial government on how it can, prudently, expend in order to attain the needs that are central to the citizens of the Limpopo Province.

To make your voice heard, make use of one or all of the following channels:

- Suggestion boxes at various front desk areas in all Provincial Treasury buildings.
- Email: [communication@limtreasury.gov.za](mailto:communication@limtreasury.gov.za)
- Facebook.com/Limpopo Budget tips

We encourage citizens to, even beyond this day, continue to freely make their voices heard in the use of the public purse to consolidate our freedom.
