12 JULY 2021
E-TENDER PORTAL

Dear Colleagues

National Treasury is pleased to announce that the Office of the Chief Procurement Officer (OCPO) has completed the development of the new e-Tenders Portal. Since the old e-Tenders website experienced technical challenges on 4 March 2021, the OCPO accelerated efforts to complete the upgrades on the new e-Tenders Portal which were already under development at the time.

The new portal has enhanced functionality and it is integrated with other systems such as the Central Supplier Database (CSD). The system also has a new “Look and Feel” and will provide an enhanced user experience.

The re-vamped e-Tender Portal will go live TODAY, 12 July 2021, but the usage of the portal will not be mandatory until National Treasury issues a new SCM Instruction, which is intended to be published this week and with an effective date of 1 August 2021.

We will use this period to train and on-board officials. User Training and On-Boarding has started as per nominations previously received. Organs of State are requested to contact the OCPO Contact Centre on etenders@treasury.gov.za to arrange training and to request access to the re-vamped portal.

For any other enquiries please contact
